

The Elk County Treasurer's Office is concerned about the impact **COVID-19** has on our office and how we serve the public. I am encouraging everyone to do their renewals online as much as possible **OR MAIL THEM IN**. We normally process the same day. We generally have multiple ways to assist you so please call our office if you have questions.

This month those with last name starting with 'B' & have tags expiring the 31st - **PLEASE DO NOT** wait until the last day when we are VERY BUSY and MAY have to restrict access into the office. Those that have newly purchased vehicles have 60 DAYS from purchase date to title so please keep that in mind. If you are experiencing any signs of illness, please do not enter the courthouse. We want to do our part in keeping staff & citizens healthy and we will continue to serve you the very best we can!
