

# NOTICE

Rural Fire slip-in units are first come first serve for any landowner or renter in ELK County, for the use of controlled burning of any agriculture pasture or crop land.

## MANDATORY

When you take one of these SLIP-IN UNITS, you must report it to the sheriff's office (620-374-2108), or in person, with your name and phone number and report it back in when it is back in the barn. You must also agree that the unit is in good working condition when you bring it back (whether or not it is when you picked it up). IF YOU BREAK IT YOU FIX IT. If you don't agree to these conditions, don't take it.
