

To provide clarification: The Governor extended Driver's License Renewals and Vehicle Registration Renewals that expire during this pandemic. Please note this DOES NOT extend the deadline for property & real estate taxes. There is a drop box in the foyer of the elevator entrance which is located on the west side of the courthouse. You may drop off payments there or continue to remit by mail.

I am encouraging everyone to do their renewals online as much as possible OR MAIL THEM IN. We normally process the same day. PLEASE DO NOT wait until the last day when we are VERY BUSY and MAY have to restrict access into the office. Those that have newly purchased vehicles have 60 DAYS from purchase date to title so please keep that in mind. We generally have multiple ways to assist you so please call our office if you have questions, (620) 374-2256.
